Some of the topics we regularly talk about.

01 The future of work
Drawn from 60+ podcast episodes and 100+ conversations on changing work

02 AI empowerment
Rooted in our AI Empowerment Programme - one client called it the “best workshop of the year”

03 The changing workplace
Informed by “The Stillness Dividend,” our book on how today’s organisations must adapt

04 Attracting today’s workforce
Pulling from employer brand and proposition work for 50+ organisations

05 Portfolio careers
Built on proprietary frameworks and decades of lived experience

06 Personal brand in the age of AI
Backed by 25 years in brand and marketing, now as a certified AI practitioner

These are topics we've built and delivered. Tell us yours and we'll shape it.
